About The Institutes

INDUR Institute of Engineering &Technology is a brainchild of INDUR Educational Society. The society was founded in 1988 with a dream to establish and nurture institutions of excellence offering value based and quality education in Management, Arts, Science, Engineering and Technology. The society has so far established institutions of higher learning at Bodhan in Nizamabad District of Telangana to conduct courses in Computer Science, Education and Vocational Training. All these institutions have recorded excellent academic performance and are relentlessly striving to stand of crowd.

Vision:

To be among the most preferred institutions for engineering and technological education in the country. An institution that will bring out the best from its students, faculty and staff to learn, to achieve, to compete and to grow among the very best. An institution where ethics, excellence and excitement will be the work religion and improvement, innovation and impact, the work culture.
